

Step Up, Claim
the Space and Be
the Best Version
of Yourself.

Entrepreneurial Babes Nic and Ali

Inspiring and empowering women to be the most capable expressions of themselves.

You are Your Own Million Dollar Formula.

Nic and Ali are transformational coaches. We challenge women to step up, claim the space and be the best version of themselves. Nic and Ali are entertaining coaches and speakers who challenge their audience about their limiting beliefs and self worth.

Nic and Ali teach women “You are your own million dollar formula.” In their entertaining presentations there are many “aha!” moments and personal breakthroughs, the audience leaves challenged and ready to change their lives permanently.

Stepping Up

We are passionate about educating women to step into their infinite potential through celebrating their strengths and creating accountability for each other. The fundamentals of our message are Creation, Celebration and Consistency.

Claiming the Space

Standing in your truth, identifying your purpose and backing yourself 100%, 100% of the time. Walking your path your way without the need for external validation or the good opinion of others.

Being the Best Version of Yourself

Making the decision every day to pursue personal excellence. Take personal responsibility for your challenges and cut down your leakage, enabling you to be more productive, more successful and have a bigger impact in the world than ever before.

Your are your own Million Dollar Formula

Pursuing your creativity. Commit consistently to expressing your talents, your gifts and your passion. By pursuing what we love we move away from fear and embrace a new level of fulfilment and personal freedom. Personal and financial freedom comes when we chase joy and create opportunities for ourselves.
